Alexandria, VA 22313-1450

Sir:

On June 26, 2008, the United States Patent and Trademark Office issued a notification of missing requirements, a copy of which is attached. Applicants submitted a declaration and power of attorney in this case at the time of filing of the application. This is evidenced by the attached copy of a filing receipt date stamped by the mailroom of the United States Patent and Trademark Office at the time of the filing of this application. Also enclosed are copies of the signed declaration submitted with the application as filed.

Since this application was filed with the declaration, no notice to file missing parts should have been issued in this case. No surcharge for late filing of the declaration is due.

The undersigned authorizes the Commissioner to charge fee insufficiency and credit overpayment associated with this communication to Deposit Account No. 22-0261.

Respectfully submitted,

Date: August 26, 2008
